**APPLICATION OF THE OFFICIAL COMMITTEE OF UNSECURED CREDITORS
FOR ENTRY OF AN ORDER AUTHORIZING RETENTION AND EMPLOYMENT
OF BEDELL CRISTIN JERSEY PARTNERSHIP AS SPECIAL FOREIGN
COUNSEL, *NUNC PRO TUNC* TO FEBRUARY 27, 2020**

The Official Committee of Unsecured Creditors (the “Committee”), appointed on September 26, 2019 [ECF No. 131] in the above-captioned chapter 11 cases (the “Chapter 11 Cases”) of the above-captioned debtors (collectively, the “Debtors”), hereby submits this application (the “Application”), pursuant to sections 328(a), 330, and 1103(a) of title 11 of the United States Code, §§ 101–1532 (as amended, the “Bankruptcy Code”), Rule 2014 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) and Rule 2014-1 of the Local Bankruptcy Rules for the Southern District of New York (the “Local Bankruptcy Rules”), for entry of an order (the “Order”), substantially in the form attached hereto as **Exhibit A**, authorizing the Committee to retain and employ Bedell Cristin Jersey Partnership (“Bedell Cristin”) as special foreign counsel in connection with the Chapter 11 Cases, effective *nunc pro tunc* to February 27, 2020. The Declaration of Edward Drummond, a partner with Bedell Cristin, in support of the Application is attached hereto as **Exhibit B** (the “Drummond Declaration”). The Declaration of Ryan Hampton, co-chair of the Committee, in support of the Application is attached hereto as **Exhibit C** (the “Hampton Declaration”). In further support of the Application, the Committee respectfully represents as follows:

JURISDICTION AND VENUE

1. The Court has jurisdiction over the Application pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).
2. Venue in this Court is proper pursuant to 28 U.S.C. §§ 1408 and 1409.
3. The statutory predicates for the relief sought herein are Bankruptcy Code sections 328, 330 and 1103, Bankruptcy Rule 2014 and Local Rule 2014-1.

BACKGROUND

4. On September 15, 2019 (the “Petition Date”), each of the Debtors filed a voluntary petition for relief under the Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York (the “Court”). The Chapter 11 Cases are jointly administered under Case No. 19-23649 (RDD).

5. The Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to Bankruptcy Code sections 1107 and 1108. No trustee or examiner has been appointed in the Chapter 11 Cases.

6. On September 26, 2019, the Office of the United States Trustee for Region 2 (the “U.S. Trustee”) appointed a committee of unsecured creditors pursuant to Bankruptcy Code section 1102(a)(1). The U.S. Trustee constituted the Committee to comprise the following members: (i) Blue Cross and Blue Shield Association; (ii) CVS Caremark Part D Services, L.L.C. and Caremark PCS Health, L.L.C.; (iii) Cheryl Juare; (iv) Kara Trainor; (v) LTS Lohmann Therapy Systems Corporation; (vi) Pension Benefit Guaranty Corporation; (vii) Ryan Hampton; (viii) Walter Lee Salmons; and (ix) West Boca Medical Center.²

7. Thereafter, the Committee selected Akin Gump Strauss Hauer & Feld (“Akin Gump”) to serve as its primary counsel, Cole Schotz P.C. (“Cole Schotz”)³ to serve as its efficiency counsel, Province, Inc. to serve as its financial advisor, Jefferies LLC to serve as its investment banker and Kurtzman Carson Consultants LLC to serve as its information agent. Jointly with the

² The Committee also has two *ex officio* members, Cameron County, Texas on behalf of the Multi-State Governmental Entities Group, and the Cheyenne and Arapaho Tribes, on behalf of certain Native American Tribes and Native American-affiliated creditors.

³ The Committee initially retained Bayard, P.A. (“Bayard”) as its efficiency counsel. However, after the lead partner at Bayard that was principally responsible for this matter joined Cole Schotz as a Member on February 24, 2020, the Committee determined to engage Cole Schotz to substitute for Bayard as efficiency counsel. See Notice of Change of Firm and Substitution of Counsel [Docket No. 900]; *Application of the Official Committee of Unsecured Creditors for Entry of an Order Authorizing Retention and Employment of Cole Schotz P.C. as Efficiency Counsel to the Official Committee of Unsecured Creditors*, Nunc Pro Tunc to February 24, 2020 [ECF No. 1013].

Debtors, the Committee also retained KPMG LLP to serve as joint tax consultants to the Committee and the Debtors.

8. The Committee currently is investigating potential claims and causes of action belonging to, and for the benefit of, the Debtors' estates, including potential actions against members of the Sackler family (the Debtors' ultimate equity holders). Part of that effort involves identifying the amount, location and availability for recovery of assets owned directly or indirectly by members of the Sackler family. The Committee understands that substantial Sackler assets are held in foreign trusts created under the law of the Bailiwick of Jersey. At least some of the Sacklers and/or their advisors have suggested that aspects of Jersey law could present challenges to collecting on any U.S. judgment in these cases. Analysis of such issues is material to the Committee's evaluation of the Debtors' proposed settlement framework (the "Settlement Framework"), including the value of the claims against the Sacklers that the Settlement Framework would purport to release. *See Notice of Filing of Term Sheet with Ad Hoc Committee*, dated as of October 8, 2020 [ECF No. 257].

9. To facilitate this analysis, the Committee believes it is necessary and appropriate to retain special foreign counsel to assist the Committee in analyzing Jersey law issues related to potential litigation and collection activities in Jersey, including the sufficiency of any related tolling agreements. The Debtors have retained Jersey counsel (Mourant Ozannes) as an ordinary course professional. *See Notice of Filing of Supplemental Ordinary Course Professionals List* [ECF No. 820]. Due to the importance of Jersey law issues to the Committee's analysis of the issues described herein, and the fact that the Committee is still evaluating the Settlement Framework and may not be aligned with the Debtors on pursuit of estate causes of action, the Committee believes it is necessary to retain its own Jersey counsel. Indeed, in recognition of these

facts, the Debtors have represented to the Committee that they will not be objecting to the Application. Accordingly, the Committee seeks to retain and employ Bedell Cristin to provide Jersey legal advice to the Committee.

RELIEF REQUESTED

10. By the Application, and pursuant to Bankruptcy Code sections 328, 330, and 1103, the Committee respectfully requests the entry of an order approving the employment and retention of Bedell Cristin as its special foreign counsel to perform the services described more thoroughly herein in connection with the Chapter 11 Cases, *nunc pro tunc* to February 27, 2020.

BASIS FOR RELIEF

11. Bankruptcy Code section 328(a) empowers a committee appointed under Bankruptcy Code section 1102 to employ attorneys under Bankruptcy Code section 1103 under any reasonable terms and conditions with the Court's approval. 11 U.S.C. § 328(a). Pursuant to Bankruptcy Code section 1103(b), an attorney employed to represent a committee may not, while employed by such committee, represent any other entity having an adverse interest in connection with the case. 11 U.S.C. § 1103(b). For the reasons that follow, the Committee respectfully submits that Bedell Cristin is appropriately eligible and capable to serve as its special foreign counsel in the Chapter 11 Cases.

A. Bedell Cristin's Eligibility To Serve as Special Foreign Counsel Under Bankruptcy Code Section 1103

12. In connection with its proposed retention by the Committee in the Chapter 11 Cases, Bedell Cristin researched its client database to determine whether it has relationships with any of the entities or persons set forth on **Schedule 1** to the Drummond Declaration and incorporated herein (the "Interested Parties"). The Interested Parties set forth on **Schedule 1** to

the Drummond Declaration comprise the Debtors and parties in interest in the Chapter 11 Cases (the “Interested Party List”).

13. To the extent that Bedell Cristin’s search of its relationships with any of the Interested Parties indicated that Bedell Cristin currently represents, represented in the three years prior to the Petition Date, or has a connection with any of the Interested Parties, the identities of such Interested Parties and their relationships to the Debtors and connections to Bedell Cristin, are set forth in **Schedule 2** to the Drummond Declaration.

14. Through its analysis, Bedell Cristin determined that it has no connections with the Debtors, creditors of the Debtors on the Interested Party List, their respective attorneys and accountants, the U.S. Trustee or any person employed in the office of the U.S. Trustee, except as set forth on **Schedule 2** to the Drummond Declaration and as discussed in greater detail below.

15. To the best of the Committee’s knowledge, based upon the Drummond Declaration, and except as otherwise set forth herein and in the Drummond Declaration: (i) Bedell Cristin does not hold or represent any interest adverse to the Debtors or their chapter 11 estates, their creditors, or any other party in interest in connection with the Chapter 11 Cases, and (ii) neither Bedell Cristin nor any of its partners or lawyers has had or presently have any connections with the Debtors or any other party listed on the Interested Party List attached to the Drummond Declaration. Bedell Cristin is a “disinterested person” as that term is defined in Bankruptcy Code section 101(14), and neither represents nor holds an interest adverse to the interests of the Committee, the Debtors, or their estates with respect to the matters on which Bedell Cristin is to be employed on behalf of the Committee.⁴ Finally, Bedell Cristin will not, while employed by the

⁴ Bankruptcy Code section 1103(b) provides that proposed counsel to an official committee of unsecured creditors may not represent any other entity having an adverse interest in connection with the cases. Bedell Cristin has made this disclosure with respect to its disinterestedness out of an abundance of caution and to the extent required by Bankruptcy Code section 328(c).

Committee, represent any other entity having an adverse interest in connection with the Chapter 11 Cases with respect to the matters on which Bedell Cristin is to be employed on behalf of the Committee.

B. Bedell Cristin's Qualifications

16. Bedell Cristin is one of the leading offshore law firms with expertise in BVI, Cayman Islands, Guernsey and Jersey law and regularly works alongside preeminent international law firms on a broad range of matters. The Committee selected Bedell Cristin to serve as special foreign counsel in connection with the Chapter 11 Cases because of Bedell Cristin attorneys' specialized experience and knowledge and the absence of any conflict of interest. Specifically, the Committee has determined that Bedell Cristin has the resources and experience necessary to assist the Committee and deal effectively with certain of the foreign law issues that may arise in the context of the Chapter 11 Cases. Bedell Cristin is particularly well suited for the type of representation that the Committee requires because of Bedell Cristin's substantial expertise in commercial litigation, fraud, asset tracing and cross-border insolvency. Its Jersey litigation team has been rated Tier 1 by the major legal directories for well over a decade and Edward Drummond (along with fellow partner Robert Gardner) edit the leading Jersey textbook in this field "Jersey Insolvency and Asset Tracking", now in its fifth edition. Accordingly, and as set forth in more detail herein, Bedell Cristin's services will be instrumental to the Committee's analysis of certain foreign law issues related to the enforcement of fraudulent conveyance judgements from foreign courts. Moreover, the services contemplated to be provided to the Committee in connection with this engagement fall squarely within Bedell Cristin's experience and expertise.

17. Accordingly, the Committee submits that the retention of Bedell Cristin on the terms and conditions set forth herein is necessary and appropriate, is in the best interests of

the Debtors' estates and creditors and should be approved in all respects.

C. Bedell Cristin's Scope of Employment as Special Foreign Counsel to the Committee

18. The Committee anticipates that during the Chapter 11 Cases, Bedell Cristin will provide foreign law services, at the direction of Akin Gump, in respect of the Committee's investigation of potential claims and causes of action that may implicate issues arising under Jersey law. The services Bedell Cristin has rendered and may be required to render for the Committee include advising on potential tolling agreements with respect to the Sacklers and their Jersey-based trusts, and providing legal advice concerning steps that could be required or prudent, and/or obstacles that may be encountered, in connection with efforts to collect against assets held through trusts in the Bailiwick of Jersey. Bedell Cristin's provision of legal services therefore will include advising the Committee as to various related rights and obligations, potentially including the enforcement of foreign law judgments.

19. No other law firm is providing the Committee with these services. Moreover, Bedell Cristin will work with Akin Gump ensure that there is no overlap between the work to be performed by Bedell Cristin and the work performed by the Committee's other professionals.

20. To the extent that Bedell Cristin is assigned by the Committee, through Akin Gump, to perform additional services requested by the Committee that may be necessary and proper in these proceedings and that differ materially from the above-described services, Bedell Cristin will file a supplemental declaration in accordance with Bankruptcy Rule 2014 disclosing both the nature of its expanded employment and the reasons supporting its additional duties and responsibilities.

D. Bedell Cristin's Professional Compensation

21. In accordance with the terms and conditions set forth in that certain engagement letter, including any amendments and schedules thereto, dated as of March 26, 2020, attached hereto as **Exhibit D**, certain attorneys and other personnel within Bedell Cristin will undertake this representation at their standard hourly rates, and Bedell Cristin will be reimbursed for reasonable and necessary expenses, subject to the approval of the Court in accordance with Bankruptcy Code sections 330 and 331, the Bankruptcy Rules, the Local Bankruptcy Rules and the orders of this Court.

22. The present hourly rates for attorneys and other personnel of Bedell Cristin are set forth in the Drummond Declaration attached hereto. The hourly rates are subject to periodic adjustments to reflect economic and other conditions and to reflect their increased expertise and experience in their area of law.⁵

23. Bedell Cristin will also seek reimbursement for reasonable and necessary expenses incurred, which may include, among other things, travel expenses, work related meals, external teleconferencing, mail and express or overnight mail charges, special or hand delivery charges, document processing, photocopying (not to exceed \$.10 per page), scanning and printing charges, vendor charges, computerized research, transcription costs, filing fees, non-ordinary overhead expenses such as secretarial and other overtime, and other out-of-pocket expenses incurred in providing professional services to the Committee. Bedell Cristin will charge for these expenses in a manner and at rates consistent with charges made generally to its other clients.

24. By separate application, the Committee previously sought and obtained approval to employ Akin Gump as counsel to the Committee and has sought authorization to employ Cole

⁵ Such rate increases generally occur on or about October 1 of each year.

Schotz as efficiency counsel. The Committee believes that, if the Application is approved by the Court, these firms have allocated and will allocate their delivery of services to the Committee so as to limit unnecessary duplication of services. It is the carefully considered view of the Committee that, considering the complexity of the Chapter 11 Cases, the timing of the Committee's appointment, the pace of the Chapter 11 Cases, and the various interests involved, representation of the Committee by Akin Gump, Cole Schotz and Bedell Cristin is necessary, advisable, and in the best interests of unsecured creditors and the Debtors' estates.

NUNC PRO TUNC RELIEF

25. The Committee believes that the employment of Bedell Cristin *nunc pro tunc* to February 27, 2020 is warranted under the circumstances of the Chapter 11 Cases. Bedell Cristin has provided, and will continue to provide, valuable services to the Committee regarding the Jersey law issues involved in the Committee's investigation of potential causes of action against the Sackler family and its evaluation of the Settlement Framework. Due to the pace of the Chapter 11 Cases and the complex nature of the issues involved, there was an immediate need for Bedell Cristin to perform services upon being selected by the Committee as its proposed special foreign counsel. Similar *nunc pro tunc* relief is granted routinely in this and other districts. *See Hutter v. Coan (In re Hutter)*, 40 F. App'x 640, 641 (2d Cir. 2002) (affirming district court's decision that bankruptcy court properly approved retention *nunc pro tunc* where counsel was under pressure to commence litigation quickly and the debtors suffered no prejudice as a result of the delay in filing the retention application); *In re Motors Liquidation Co.*, 438 B.R. 365, 377 (Bankr. S.D.N.Y. 2010) (holding retention *nunc pro tunc* "wholly appropriate" where counsel was "under time pressure to begin service right away" and timely filed application thereafter); *In re Hasset, Ltd.*,

283 B.R. 376, 379 (Bankr. E.D.N.Y. 2002) (approving retention *nunc pro tunc* and recognizing that such relief has been authorized when the attorney performs services of value to the estate).

NO PRIOR REQUEST

26. No prior request for the relief sought herein has been made to this Court or any other court.

NOTICE

27. Notice of the Application will be provided to parties in interest in accordance with the *Amended Order Establishing Certain Notice, Case Management, and Administrative Procedures*, dated as of October 24, 2019 [ECF No. 342]. The Committee submits that, under the circumstances, no other or further notice is required.

[Remainder of page intentionally left blank]

WHEREFORE, the Committee respectfully requests that the Court enter an order substantially in the form submitted herewith and grant such other and further relief as is just and proper.

Bedell Cristin’s Disinterestedness

4. In connection with its proposed retention by the Committee in the above-captioned chapter 11 cases (the “Chapter 11 Cases”), Bedell Cristin researched its client database to determine whether it has relationships with any of the entities or persons set forth on **Schedule 1** attached hereto and incorporated herein (the “Interested Parties”). The Interested Parties set forth on **Schedule 1** are comprised of the Debtors and parties in interest in the Chapter 11 Cases (the “Interested Party List”).

5. To the extent that Bedell Cristin’s search of its relationships with any of the Interested Parties indicated that Bedell Cristin currently represents, represented in the three years prior to the Petition Date, or has a connection with any of the Interested Parties, the identities of such Interested Parties and their relationships to the Debtors and connections to Bedell Cristin, are set forth in **Schedule 2** to this Declaration and as discussed in greater detail below.

6. Through its analysis, Bedell Cristin determined that it has no connections with the Debtors, creditors of the Debtors on the Interested Party List, their respective attorneys and accountants, the U.S. Trustee or any person employed in the office of the U.S. Trustee, except as

² Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to them in the Application.

set forth herein and on **Schedule 2** hereto.

7. Based on the results of Bedell Cristin's analysis, and except as otherwise disclosed herein, Bedell Cristin (i) does not represent any entity having an adverse interest to the Committee in connection with the Chapter 11 Cases and (ii) does not represent or hold an interest adverse to the interest of the Debtors or their estates with respect to the matters on which Bedell Cristin is to be employed.

8. To the best of my knowledge, information and belief after reasonable inquiry, having sent an email to all partners and lawyers of Bedell Cristin for their individual review and response for the purposes of this paragraph, Bedell Cristin is disinterested within the meaning of Bankruptcy Code section 101(14), in that neither, I, Bedell Cristin, nor any of its partners or lawyers:

- (a) are creditors, equity security holders or insiders of the Debtors;
- (b) are or within two years before the Petition Date were, a director, officer, or employee of the Debtors; or
- (c) have an interest materially adverse to the interest of the estates or of any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with or interest in the Debtors or for any other reason.

Bedell Cristin's Rates and Billing Practices

9. Bedell Cristin intends to apply for compensation for professional services rendered in connection with the Chapter 11 Cases subject to the approval of this Court and in compliance with applicable provisions of the Bankruptcy Code, Bankruptcy Rules, Local Bankruptcy Rules, and Orders of the Court entered in the Chapter 11 Cases concerning compensation of professionals, on an hourly basis, plus reimbursement of actual, necessary expenses and other charges incurred

These rates are subject to change in accordance with Bedell Cristin's billing practices and procedures.

11. In addition, it is Bedell Cristin's policy to charge its clients in all areas of practice for all other expenses incurred related to the representation. The expenses charged to clients include, among other things, external teleconferencing, mail and express mail charges, special or hand delivery charges, photocopying, scanning and printing charges, travel expenses, expenses for "working meals," computerized research, transcription costs, as well as non-ordinary overhead expenses such as secretarial and other overtime. Bedell Cristin will charge for these expenses in a manner and at rates consistent with charges made generally to its other clients.

12. No agreement exists, nor will any be made, between Bedell Cristin and any other person regarding the sharing of compensation received by Bedell Cristin for its services in the Chapter 11 Cases, as described in Bankruptcy Rule 2016.

13. The U.S. Trustee has adopted the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases* (the "UST Guidelines"). Bedell Cristin intends to make reasonable

14. Pursuant to Part D.1 of the UST Guidelines, Bedell Cristin is seeking employment as special foreign counsel to the Committee and hereby provides the following responses set forth below:

Question	Answer	Further Explanation
Did you agree to any variations from, or alternatives to, your standard or customary billing arrangements for this engagement?	Yes.	Bedell Cristin normally charges clients a "standard disbursement fee" of 5% of fees to cover printing, copying, scanning and bundling. In this case, we have agreed to charge \$0.10 per page instead.
Do any of the professionals included in this engagement vary their rate based on the geographic location of the bankruptcy case?	No.	N/A
If you represented any member of the Committee in the 12 months prepetition, disclose your billing rates and material financial terms for the prepetition engagement, including any adjustments during the 12 months prepetition. If your billing rates and material financial terms have changed postpetition, explain the difference and the reasons for the difference.	N/A	N/A
Has your client approved your prospective budget and staffing plan, and, if so, for what budget period?	No.	Bedell Cristin is in the process of formulating the budget and staffing plan, which has not yet been approved by the Committee. Bedell Cristin will provide a copy to the Committee and seek approval of the budget and staffing plan from the Committee.

15. By reason of the foregoing, I believe Bedell Cristin is eligible for employment and retention by the Committee pursuant to Bankruptcy Code section 1103 and the applicable Bankruptcy Rules, *nunc pro tunc* to February 27, 2020.

I declare under penalty of perjury that the foregoing is true and correct.

The Debtors’ corporate headquarters is located at One Stamford Forum, 201 Tresser Boulevard, Stamford, CT 06901.

This declaration is provided pursuant to Part D.2 of the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases* (the “Guidelines”) promulgated by the Office of the United States Trustee. I am informed by Bedell Cristin that the Guidelines require that any application for employment of an attorney under 11 U.S.C. §§ 327 or 1103 be accompanied by a verified statement from the client that addresses the following:

The identity and position of the person making the verification. The person ordinarily should be the general counsel of the debtor or another officer responsible for supervising outside counsel and monitoring and controlling legal costs.

The steps taken by the client to ensure that the applicant’s billing rates and material terms for the engagement are comparable to the applicant’s billing rates and terms for other non-bankruptcy engagements and to the billing rates and terms of other comparably skilled professionals.

The number of firms the client interviewed.

If the billing rates are not comparable to the applicant’s billing rates for other non-bankruptcy engagements and to the billing rates of other comparably skilled professionals, the circumstances warranting the retention of that firm.

The procedures the client has established to supervise the applicant’s fees and expenses and to manage costs. If the procedure for the budgeting, review and approval of fees and expenses differ from those the client regularly employs in non-bankruptcy cases to supervise outside general counsel, explain how and why. In addition, describe any efforts to negotiate rates including rates for routing matters, or in the alternative to delegate such matters to less expensive counsel.

Identity of Declarant

On September 15, 2019 (the “Petition Date”), the Debtors filed petitions with this Court under chapter 11 of title 11 of the United States Code, §§ 101–1532 (as amended, the “Bankruptcy Code”). The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to Bankruptcy Code sections 1107(a) and 1108. On September 26, 2019, the Office of the United States Trustee for Region 2 (the “U.S. Trustee”) appointed a committee of unsecured creditors pursuant to Bankruptcy Code section 1102(a)(1). The U.S. Trustee constituted

the Committee to comprise the following members: (i) Blue Cross and Blue Shield Association; (ii) CVS Caremark Part D Services, L.L.C. and Caremark PCS Health, L.L.C.; (iii) Cheryl Juaire; (iv) Kara Trainor; (v) LTS Lohmann Therapy Systems Corporation; (vi) Pension Benefit Guaranty Corporation; (vii) Ryan Hampton; (viii) Walter Lee Salmons; and (ix) West Boca Medical Center.² I, along with Blue Cross and Blue Shield Association, serve as co-chairs of the Committee.

As a member and co-chairperson of the Committee, I was directly involved in the Committee's decision to retain Bedell Cristin.

Steps Taken to Ensure Comparability of Engagement Terms

I have confirmed with Bedell Cristin that, while its billing rates vary from attorney to attorney based on such factors as the attorney's seniority and position with the firm (*e.g.*, partner, associate), years of experience, and the demand for services in the attorney's particular area of expertise, its billing rates do not vary as a function of whether the services performed relate to a bankruptcy engagement or a non-bankruptcy engagement.

The Committee has been informed that Bedell Cristin endeavors to set the hourly rates for their attorneys and paraprofessionals at levels competitive to those charged by firms with whom they compete.

Selection of Bedell Cristin

In selecting special foreign counsel to represent the Committee, the Committee considered potential counsel based on their expertise in certain of the Jersey law issues that may arise in the Chapter 11 Cases. Specifically, the Committee currently is investigating potential claims and causes of action belonging to, and for the benefit of, the Debtors' estates, including potential

actions against members of the Sackler family (the Debtors' ultimate equity holders). Part of that effort involves identifying the amount, location and availability for recovery of assets owned directly or indirectly by members of the Sackler family. The Committee understands that substantial Sackler assets are held in foreign trusts created under the law of the Bailiwick of Jersey. At least some of the Sacklers and/or their advisors have suggested that aspects of Jersey law could present challenges to collecting on any U.S. judgment in these cases. Analysis of such issues is material to the Committee's evaluation of the Debtors' proposed settlement framework (the "Settlement Framework"), including the value of the claims against the Sacklers that the Settlement Framework would purport to release. No other law firm retained by the Committee is providing the Committee with these services.

The Committee determined to retain Bedell Cristin as its special foreign counsel because of its attorneys' experience and knowledge in the foregoing areas and the absence of any conflict of interest. The Committee further determined that Bedell Cristin is particularly well suited for the type of representation that the Committee requires because of Bedell Cristin's substantial expertise in commercial litigation, fraud, asset tracing and cross-border insolvency. Its Jersey litigation team has been rated Tier 1 by the major legal directories for well over a decade and Edward Drummond (along with fellow partner Robert Gardner) edit the leading Jersey textbook in this field "Jersey Insolvency and Asset Tracking", now in its fifth edition. Because of such experience and knowledge, Bedell Cristin is able to assist the Committee in analyzing Jersey law issues related to potential litigation and collection activities in Jersey, including the sufficiency of any related tolling agreements with respect to the Sacklers and their Jersey-based trusts, and the steps that could be required or prudent, and/or obstacles that may be encountered, in connection with efforts to collect against assets held through trusts in the Bailiwick of Jersey.

Procedures Established to Supervise Fees and Expenses and Manage Costs

I understand that Bedell Cristin will be using budgets and staffing reports for legal services to be provided to the Committee during this engagement. The Committee recognizes that in the course of a chapter 11 case, there may be unforeseeable fees and expenses that will need to be addressed by the Committee and Bedell Cristin. Therefore, the Committee recognizes that it is its responsibility to closely monitor the billing practices of its counsel to ensure that the fees and expenses paid by the estates remain consistent with the Committee's expectations and exigencies of the Chapter 11 Cases. The Committee will continue to review the invoices regularly submitted by Bedell Cristin and, together with Bedell Cristin, may periodically amend the budget and staffing plan as the cases develop to reflect changed circumstances or unanticipated developments. I further understand that Bedell Cristin and Akin Gump have discussed the division of responsibilities between the firms to ensure that all appropriate steps are taken to avoid unnecessary and wasteful duplication of efforts.

Based on the foregoing, the Committee is of the opinion that it is necessary and desirable to employ Bedell Cristin *nunc pro tunc* to the Retention Date, and that such employment is in the best interest of the Debtors' estates.

I declare under penalty of perjury that the foregoing is true and correct.
